Interests

I have fine-tuned and tested my interest in photography by attending various concerts, festivals and corporate events as an officially accredited photographer. I am accustomed to shooting both open-air and indoor venues, both in one-band or festival format. I travel at ease in order to pursue my interest in Concert photography. My work ethics is unquestionable, and my overall intention is to capture classy, vivid, natural shots in which musical enthusiasm as well as stagemanship stem out of photographic content. I am alert both to spontaneous and premeditated stage actions and shoot them precisely.

My full collection of travel (in Romania and abroad) photographs is online here:

<https://plus.google.com/u/0/photos/113186834796456564506/albums>. Here is a small gallery: <http://vivianaball.ro/category/photography-2/>.

In addition to my activity as a photographer, I am an [education](http://www.wordland.ro) (www.wordland.ro) and [showbiz](http://www.vivamusic.ro) (www.vivamusic.ro) entrepreneur, I run a cooking blog – recipes with photos (www.vivianaball.ro/cookingwithvivi), I am a fervent promoter of Romania (<http://vivianaball.ro/category/romania/>).
